

Welcoming newcomers since 1939

Global Refuge is a nonprofit serving newcomers seeking safety, support, and a share in the American dream. We have been a leader in resettlement for 85 years, dedicated to the “long welcome” – supporting immigrants, asylum seekers, and refugees through advocacy, care, and empowerment to restore a sense of home.

Our Work

The services and expertise we deliver expand to meet growing needs, which means we do a lot. To more easily remember and describe the work we do, consider the way we approach our mission... with GRACE. Global Refuge: Advocacy, Care, and Empowerment.
