

Global Refuge Neighbor Kits

At Global Refuge, we're committed to the long welcome. That means that we receive new neighbors with compassion and dignity, providing them with the basic necessities they need to rebuild their lives—but we don't stop there.

We work with partners across the country to ensure that our newest neighbors continue to feel supported and are able to connect with their communities.

That's why we created Neighbor Kits, a new way to show refugees and other immigrants that they are a critical part of our communities. Pack one (or many!) to support both new arrivals and those in need of a helping hand and demonstrate your commitment to the work of welcome.
